Catherine Bellinger School of Dance

Established in 1996 by Catherine Bellinger, the school prides itself on providing a friendly, fun, yet professional environment for children of all ages to learn dance for pleasure, for fitness or as a vocation. Our team of enthusiastic, experienced and qualified teachers offers a structured learning experience in ballet, tap, modern jazz, hip-hop, contemporary, musical production, singing and drama.

For those children who would like to take professional dance qualifications, the school holds Royal Academy of Dance (RAD) and International Dance Teachers' Association examination sessions each year.

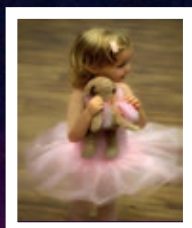

All pupils are invited to take part in the annual productions, which are great fun, give an opportunity to dance on a large stage and to demonstrate to family and friends all the hard work that's been put in during the year!

For further information, please visit Catherine's website or contact her if you have any questions about the classes on offer. Catherine and her team are always happy to help!

GENERAL TERMS AND CONDITIONS

CONTACT

In order to guarantee we are able to contact you in an emergency we need you to ensure that we have your current contact details. If you are not sure, please check with us when you book. Booking confirmations for holiday courses will be sent by email.

CANCELLATIONS

If you find you have to make a cancellation, fees paid (less the non-refundable deposit) will be returned provided notification takes place at least one month prior to the course/activity. As later cancellation can affect the viability of the course itself and lead to others being disappointed, refunds can only be considered exceptionally. We reserve the right to cancel any course, in which case we will offer an alternative or, if unacceptable, give a complete refund including the deposit.

PHOTOGRAPHY

It is possible photographs and videos may be taken during the courses for use in future 'Recre8 Tonbridge' brochures and on the school website. Please advise us in writing if you do not wish your child/children to feature in them. Some courses feature a performance on the final day and parents often ask to take pictures of the whole group. If you do not give permission for your child to be photographed, again, please advise us in writing, or advise a member of staff if attending the performance in person.

AWARDS

On some sports courses it is possible to gain national awards, the cost of which is included in the price of the course. However, it should be noted that some children may not be able to achieve the required standard in the time available.

CLOTHING & EQUIPMENT

If your child has clothing or equipment for the afternoon in a bag that is too large to cope with, we can safely look after it in our office, where it can be collected at any time. All art courses are potentially messy and we therefore recommend your child wears old clothes.

There is no need to bring any personal electronic equipment (e.g. mobile phones, tablets or music players) to the courses. Any equipment which is brought on site is done so entirely at the owners risk and we accept no liability for any subsequent loss or damage.

ILLNESS OR INJURY

If in the unlikely event that your child becomes ill or is injured, we will contact you to make you aware. You can then decide if you wish to pick them up early. If your child requires hospital treatment and we are unable to contact you or the person given as your emergency contact, a member of staff will accompany them.

LOST PROPERTY

Lost property will be brought to Reception at TSC at the end of each day where you may make enquiries about any items your child/children have mislaid.

GRIEVANCE PROCEDURE

If there are any problems please come and see us. We are here to help and would prefer to know of any problem straight away. Please don't wait until the course is over.

TERM TIME COURSES

Participants who wish to renew a course have priority booking over new participants. However, payment must be received by the end of the 'current' course, or your space may be allocated to a new participant on the waiting list.

Term time courses must be paid for at the time of booking.

Adverse weather may lead to cancellations. Should this occur, we will try to arrange alternative dates. Refunds will be at the discretion of the Manager.

If you wish to cancel a course, a refund will only be granted in exceptional circumstances.

HOLIDAY COURSES

REGISTRATION, LUNCH & BREAK TIMES

Our support team provides supervision at lunch and break times. We are happy to look after children six years and over from 8.30am before the morning courses and until 5.30pm at the end of the afternoon courses - but please do not exceed these times.

All children except those under six should be left at, and collected from, Tonbridge School Centre. After first day registration children under 6 should be taken directly to the course venue and collected from there.

During the breaks no formal instruction will be given, but our support team will mix socially or take small groups out for informal sport (weather permitting). Alternatively, pupils may watch a DVD, read, or sit and talk to friends. Free drinks of squash are provided each break and there are tuck shops where children can buy soft drinks and snacks. If children are staying for the whole day, they will need to bring a packed lunch.

Children booked on Skills Academy and Scuba Diving courses will need to register at TSC and will need to bring a packed lunch.

SECURITY

We are always conscious of the need to maintain and, where possible, improve the levels of supervision of children in our care and continually review the security arrangements for our Holiday Courses to ensure that any risk is as low as possible.

Each day, children should be escorted to the Tonbridge School Centre and handed over to our staff, all of whom have their identity clearly visible.

On collection, please do not ask children to wait for you anywhere other than at the Hub – please collect them in person and escort them back to your car or off site. This will enable us to ensure that no one wanders off without adult supervision. Please advise us as early as possible if your child/children will be picked up by someone other than the person that drops them off.

For children under 6 years attending Multi-Skills, Mini-Olympics or Gymnastics, parents will be shown where the course will take place immediately following Registration on Day 1 (**please allow a little extra time for this**). Thereafter drop-off and collection will take place at that specific venue.

Please park in the car park at TSC and walk to the collection/drop-off points. Traffic gets very busy and we ask that you do not park or wait in cars along the driveway. Minibuses will be manoeuvring in this area and there may well be lots of pedestrians of various ages.

EARLY AND LATE CLUBS

We provide ample staff to supervise early arrivals and late pick-ups, and in addition we keep a register in the TSC of all children arriving early and/or leaving late. Please tick the appropriate box on the application form if you intend to deliver your child or children early (**8.30-9.30am**), or collect them late (**4.30-5.30pm**).

LIABILITY

I accept that neither Tonbridge School nor its servants agents or employees are under any liability whatsoever in respect of any personal loss or injury which the participant may sustain whilst in attendance on the course(s) except where the same is solely attributable to the negligence or default of any officer, servant or agent of the Company.

Other buildings shown include Thomas' Astro (green), Rowan's Astro (green), Foundation Astro (green), Tennis Courts (green), Staff and visitor parking (white), and the Pavilion (red). A blue line represents a river or path. Lines connect the labels to their respective locations on the map.
